

Save Our State ~ Fully Fund Education

Where things stand this week for the future of our neighborhood schools

- Our Senator **Mia Costello** voted to cut Public Education Funding
 - Eliminating Pre-K
 - An additional 700 teachers cut from K-12
- Our Rep. **Jason Grenn** voted to keep Education Funding
 - He also voted for a comprehensive plan to bring more certainty for Education funding next year
- Governor **Bill Walker** supports a comprehensive plan
 - Including Education funding same as last year

- **Call Senator Costello (907) 465-4968**
 - Ask her to eliminate cuts to schools this year and make a plan for next year so we do not have this uncertainty happen again.
- **Call Rep. Grenn (907) 465-3892**
 - Thank him for supporting our schools this year and including a plan to ensure support for next year.
- **Call the Governor (907) 465-3500**
 - Thank him for a plan that includes sustainable public education funding.
